Dear Blake

Jessie's Wish

On behalf of Make-A-Wish® New Zealand please accept our sincere thanks for your generous assistance with Jessie's wish. Jessie's one true wish was to travel to Queenstown with her whole family and experience the skiing and the sights. Thanks to your generosity the family was able to experience something completely different and new – they were also thrilled that Jessie's little brother could pull the trigger so he didn't feel left out!!

Make-A-Wish grants the wishes of children (3-17 years) with life-threatening medical conditions to enrich the human experience with hope, strength and joy. We could not make the wishes of seriously ill Kiwi kids as special and memorable as they are without the generosity and kindness of people/organisations like you.

Granting a wish creates a piece of pure magic which can provide an escape for children and their families facing the most challenging times.

It is comforting to know we have friends, like you in the community willing to support Make-A-Wish and our many wish families. Your generosity and contribution was invaluable.

Thank you for sharing in the power of a wish!

Best wishes
